

TEAK VENEERS

Nature abounds with preciousness. Teak wood is one such priceless gift of nature. Elegant and durable, it retains its qualities even after intense processing. The everlasting royal feel of teak is moulded in the exclusive range of Garnet Teak Veneer. The classic style of these immortal objects of art leaves us in awe. Introducing a wonder product of nature into a vast range for your exterior and interior needs, Garnet Teak Veneers create a marvelous spectacle of nature.
